

Development log

Since the Android development tool is hard to commit to git, so we meet together and do it together, and only commit by one laptop each time when we meet and done something.

branch: **master** - **315.3** / Commits

Nov 24, 2013

 **gui change** d6dbb98954 
FelixLOL authored 8 days ago Browse code 

 **searchbyenter** 92fe8cb7a4 
FelixLOL authored 8 days ago Browse code 

 **add enter ...** fbba2257f3
